4. **Grievance redressal**: instituting a robust and time-bound user-grievance redressal mechanism to provide users with timely support against any issue with the platform. Further, I will adhere to the rules and orders of the Ombudsman established by FIFS in a timely manner.

6. **Age-gating**: Ensuring that underage individuals are protected and that websites/apps clearly display 18 or 18+ only signs as well as provide clear messaging regarding underage play and the steps undertaken to check age to prevent children from having access to pay to play formats of fantasy sports on the platform.
7. **Disclosures**:

- b. informing users of all rules and restrictions regarding deposits and withdrawals and access to funds in connection with deposits and withdrawals.
 - c. providing clear representation of users' funds and account balance and ensuring the same is available at all times.
8. **Gameplay integrity:**
- a. Ensuring that the company is not directly or indirectly (through automated tools or otherwise) engaged in any contest with actual users, except for testing purposes.
